“A new way to publish from Springer”

Springer is delighted to announce SpringerBriefs, concise summaries of cutting-edge research and practical applications across a wide spectrum of fields. Featuring compact volumes of 50 to 125 pages, the series covers a range of content from professional to academic.

Typical Topics:

- A timely report of state-of-the art analytical techniques
- A bridge between new research results published in journal articles and a contextual literature review
- A snapshot of a hot or emerging topic
- An in-depth case study or application example
- A presentation of core concepts that students must understand in order to make independent contributions
- A summation/expansion about a recent workshop, symposium, or keynote address

Author Benefits:

- Briefs allow authors to present their ideas and readers to absorb them with minimal time investment.
- Briefs will be published as part of Springer’s eBook collection, with millions of users worldwide. In addition, Briefs will be available for individual print and electronic purchase.
- Briefs are characterized by fast, global electronic dissemination, standard publishing contracts, easy-to-use manuscript preparation and formatting guidelines, and expedited production schedules. We aim for publication 8-12 weeks after acceptance.
- Both solicited and unsolicited manuscripts are considered for publication in this series. Projects will be submitted to editorial review by series editors, editorial advisory boards, and/or publishing editors, at the discretion of each publishing unit.

Please ensure your proposal includes the following information:

- 1) The proposed **title** of your Brief
- 2) The **author(s) information**. Provide your full name as it would appear for publication, and your full contact information. If there are two or more authors, provide the full names in order in which they are to appear. Please note that after manuscript delivery, no changes can be made to the author names or the order of author names.
- 3) An **abstract**. Your abstract will be full-text searchable, and used to identify your content online.
- 4) 5-10 **keywords** (search terms) that best describe your Brief. What terms will be used when searching your topic on Google or Amazon?
- 5) Your **projected manuscript delivery date**.
- 6) **Estimated number of pages** in the final product (must be within the range of 50 – 125 pages)
- 7) A **biography / CV** of the author(s)
- 8) Some **draft content**. Provide a concise outline/table of contents. If available, in a separate PDF, attach an excerpt or writing sample that reflects the content and/or presentation style of the manuscript. If the manuscript is complete, please attach the entire PDF.
